Can someone pull together a hot issue paper to send to Peggy by her Thursday 3:00 deadline?

A template for this can be found on the G: drive under AirIMMOffice under ARD Weekly Hot Issues.

In the spot about Press Interest, please include: Peoria TV stations have made inquiries because of a Sierra Club press release regarding the Edwards power plant.

Subject: Status on SO2 Designations

Greetings all,

We briefed the Acting Administrator on Thursday, June 27th. The briefing went very well. We're awaiting for a date to be confirmed on when we can complete designations. However, in the meantime, we're aiming to have all materials (i.e. FR package, TSDs, & RTC) completed by Wednesday, July 10th. This way, when we get a date confirmed, we'll be ready to go.

OAQPS and OGC are finishing up our review on remaining TSDs and RTCs. We're working to get your comments as soon as possible.

That's all I have for now. I will continue to keep you posted, as more information becomes available.

Greetings everyone,

I just wanted to update you on what's happening with SO2 designations. The Gina McCarthy briefing was held on last Friday and that went very well. We now have to brief the Acting Administrator, and that has been scheduled for Thursday, June 27th.

Ex. 5 - Deliberative Process Privilege

In the meantime, HQs and ROs are working together to finalize TSDs and the RTCs. I hope to have everything completed by the end of next week. Regions, if you have not submitted your TSDs, please do so as soon as possible.
